

Bible Tip!

Want to learn more about the author of the Gospel of Luke? At the beginning of each book of the Spark Bible, you'll find out about who wrote the text and lots of other information.

Many people who study the Bible think that Luke was probably a doctor. Use this technique to learn about some other books in the Bible!

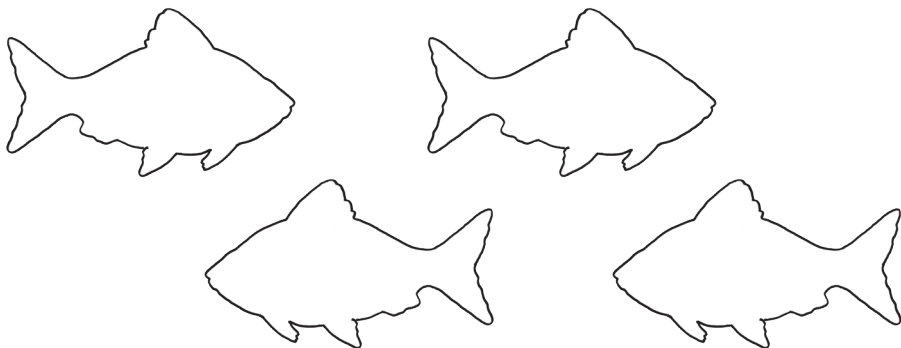

Look It Up!

Jesus appeared to the disciples. He shared fish with them and blessed them. Jesus said to them, "You are witnesses of these things" (Luke 24:48).

Reread today's Gospel lesson in Luke 24:36-53.

Then, look up this same story in Mark 16:14-20. What does Jesus tell the disciples to do? Write some ideas below.

Jesus gives us the same powers as the disciples. What would you do with the Holy Spirit's power? Fill in the fish with some ideas.

Memory Verse

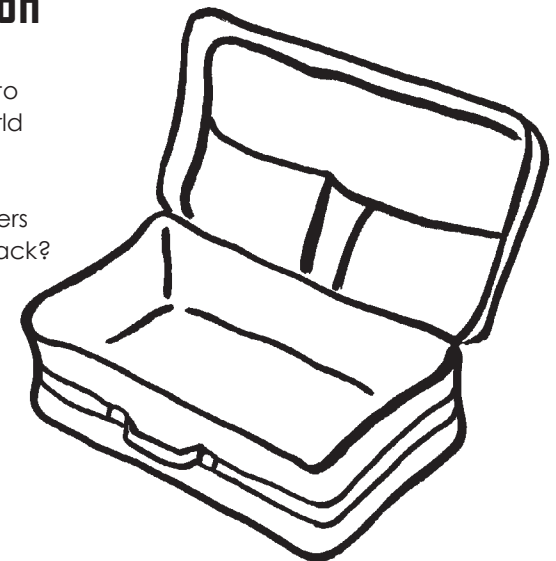

Study the cryptogram below. Find the pattern to crack the code and complete the memory verse. A few letters have been done for you. (Hint: use these clues to help you find the pattern.)

You Have a Mission

Jesus gave the disciples an important job. He told them to tell everyone all over the world about Jesus. You have that same job. Imagine that you are planning a trip to tell others about Jesus. What will you pack? Draw it in this suitcase.

Where will you go?

Jesus asks all of his disciples to tell everyone about him. You are one of Jesus' disciples, and you can tell his stories too!

Make your way through the maze, starting and ending at the same house, telling Jesus' good news along the way!

*Jesus, Help me listen and learn
so I can go and tell! Amen*

This week

Snuggle together and tell your favorite stories about Jesus.
